

## **Directions to Hacienda Riquelme Golf Resort (Polaris World)**

### **Directions from Murcia San Javier Airport**

Drive out of the airport direction AP-7 follow direction Alicante until the 2<sup>nd</sup> junction 780 signposted MU301 and head for Sucina, when you get to the first roundabout take the new motorway RM 1 to Sucina. You then have two options, take first junction into Sucina and drive through the town or next junction (which will eventually link HR directly – not open yet) and come back into the town and follow signs to HR. See maps on next page.

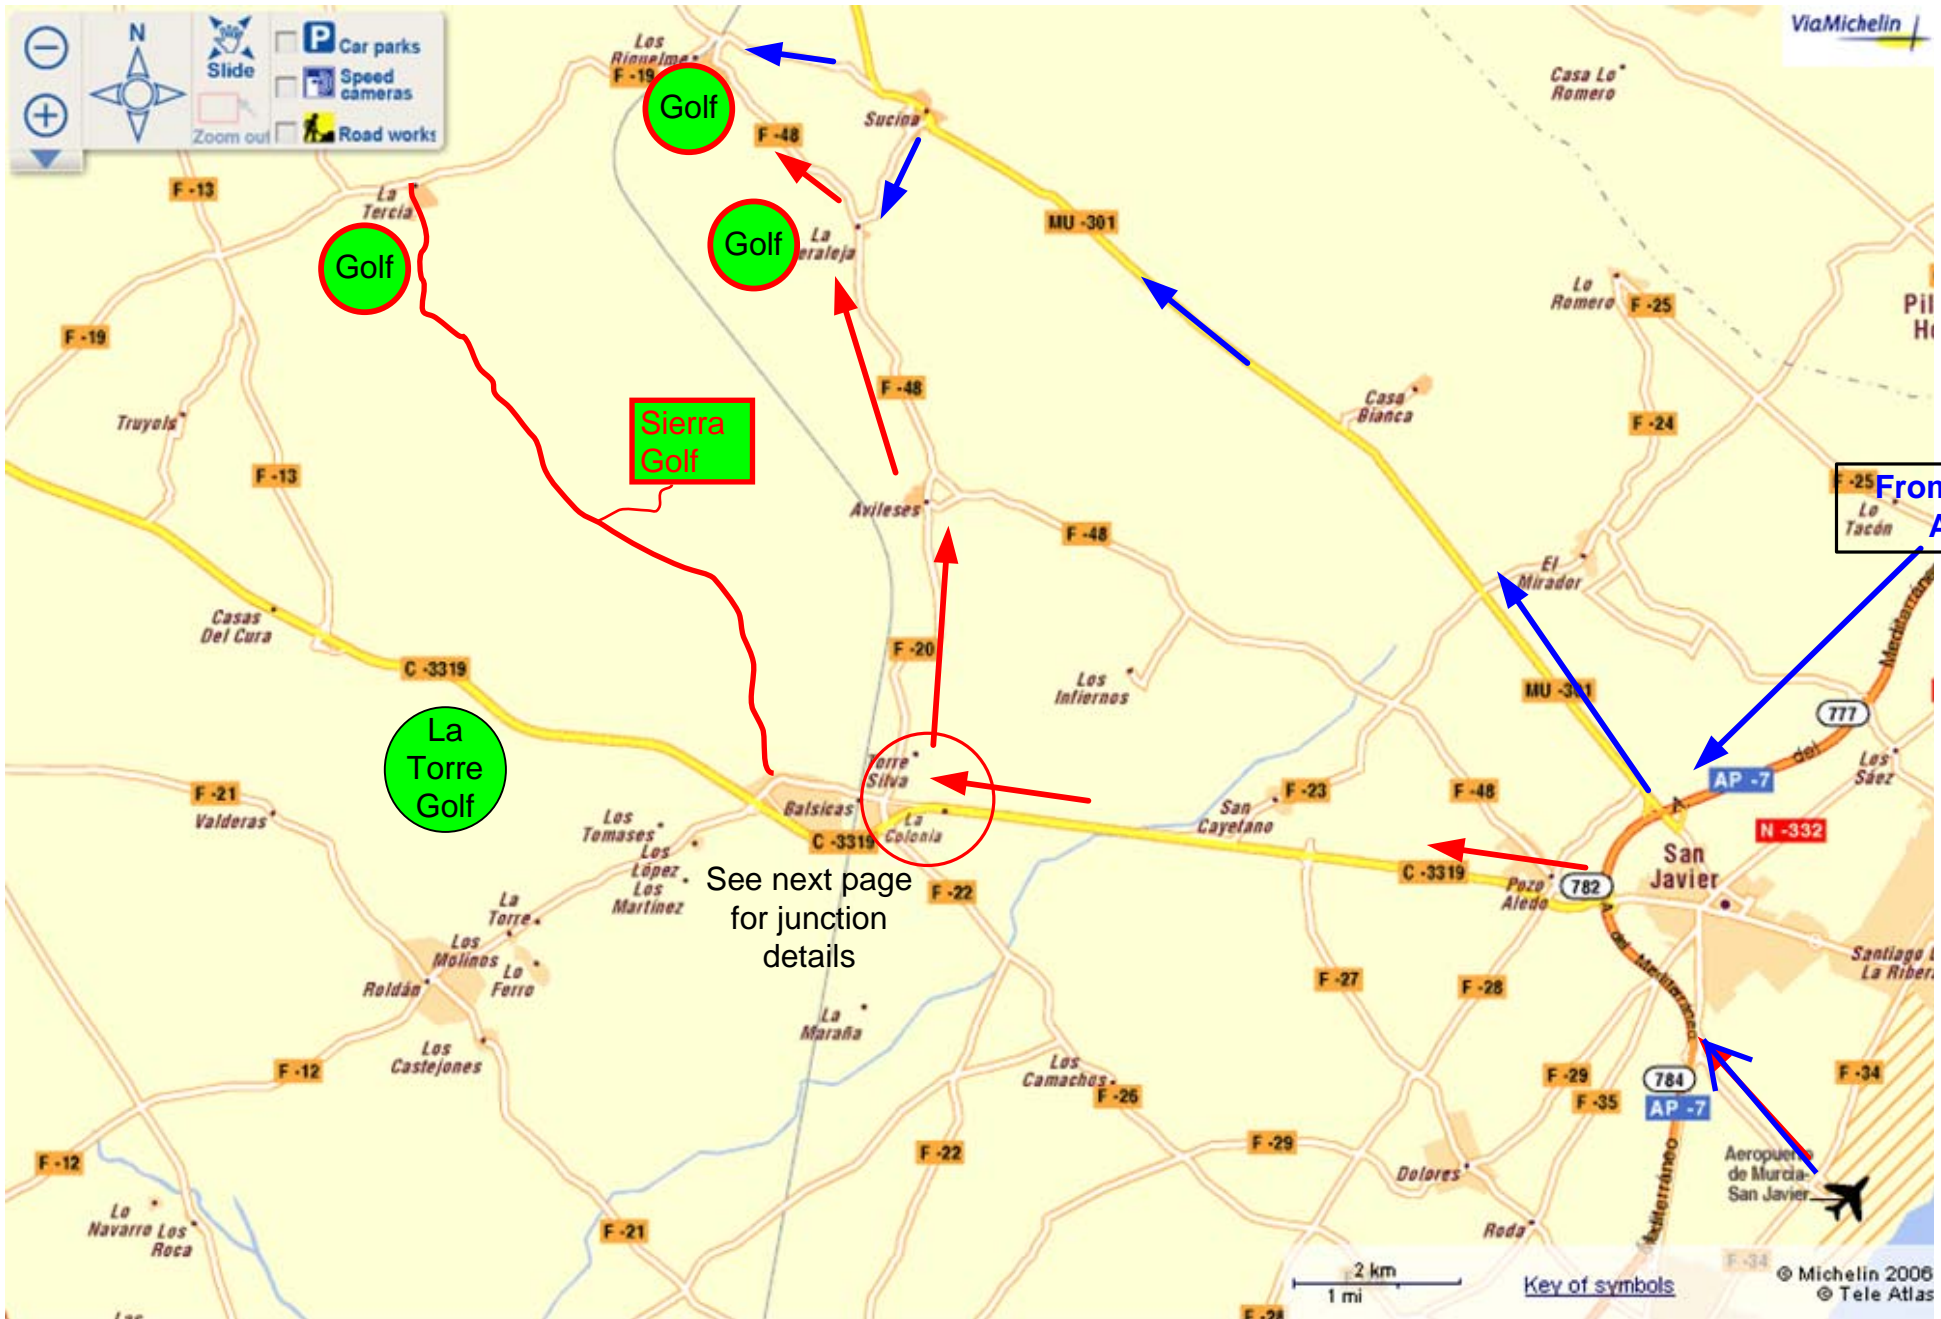

An alternative route is still direction AP-7 to Alicante but take first junction signpost C-3319 (Murcia) follow this for approx 10km and take the junction sign posted Sucina & Avileses on F20, when you get to Avilesse drive through on to the F48 and follow this all the way towards Sucina. You will pass the golf resort La Peraleja on your left and then come to Hacienda Riquelme. This is a more cross country route.

### **Directions from Alicante Airport,**

When you leave the airport head towards A-7 and take the slip road signposted Murcia/Cartegna (it comes back on itself), continue on the motorway until you see the sign for Murcia A-7/E-15 and AP-7 to Cartagena this is a toll road and will cost about 3 to 5 euros. Take the AP-7 all the way to junction 780A MU301 and head for Sucina (this is a funny junction very sharp right right). See above for details.

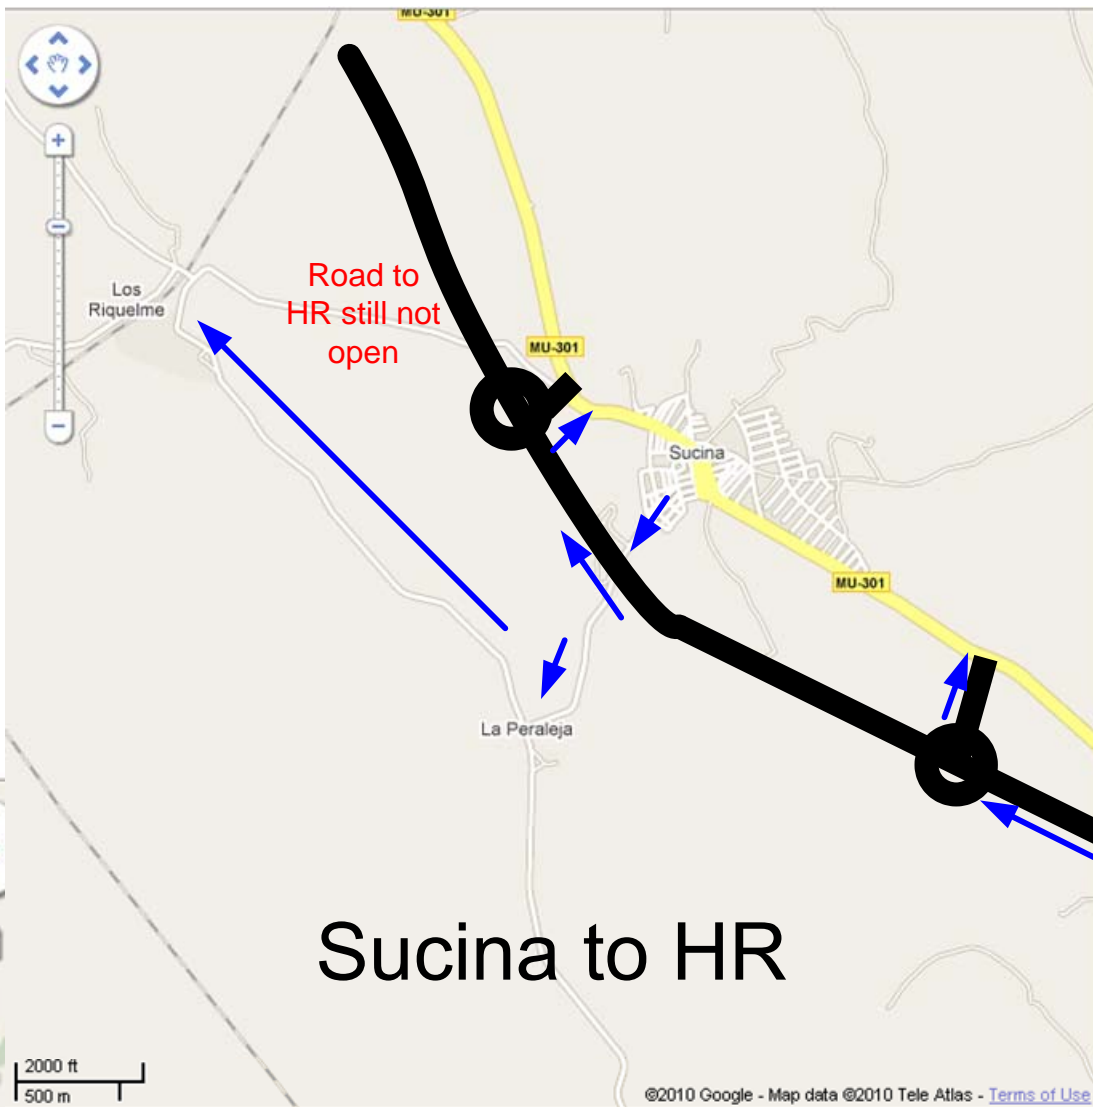

### **Directions to Dos Mares Shopping Complex**

Retrace the steps to Alicante/Murcia Airport down the new motorway F-1(MU-301) from Sucina until you get to the AP-7, head towards Alicante until you get to junction 777, Dos Mares is visible at that point. Alternatively you can keep on MU 301 until you get to the N-332 in San Javier and follow from there through the small towns. Its clear on the map.
